Title	National e-Learning Content Changes November 2020	
Purpose	To advise users of changes to national available e-Learning	
Intended Audience	All Learning Administrators and e-Learning users	

SUBJECT

Updates to e-Learning courses are available in ESR.

DETAIL

This COVID-19 Vaccination e-learning programme is designed to provide the health and care workforce involved in the national COVID-19 vaccination programme with the knowledge they need to confidently promote high uptake of the vaccine and deliver the vaccine programme effectively.

Course Name	Provider
000 Core Knowledge for COVID-19 Vaccinators	HEE e-Learning for Healthcare

Anaphylaxis

Basic training on anaphylaxis for healthcare professionals

Anaphylaxis is a severe, life threatening event. People having an anaphylactic reaction often have changes to their airway, breathing and/or circulation so it is vital that these signs are recognised and treated quickly. It is important that all health and care staff have an understanding of the causes, signs and treatment.

Course Name	Provider
000 An Introduction to Anaphylaxis	HEE e-Learning for Healthcare
000 Recognising and Managing Anaphylaxis
