Information classification: PUBLIC

Revision Date: FEBRUARY 2021

Contents

1	Introduction	3
	<u>HR</u>	
2	New Supplementary Roles – COVID-19.....	4

1 **Introduction**

The purpose of this document is to provide details of the enhancements to the ESR system in Release 48.3.0.0. The details are grouped in functionality order.

The changes to functionality outlined in this Release Notice are subject to successful testing. As is normal practice, any amendments to the content of the Release will be communicated in the Final Guide to Enhancement Notice.

Please note all Employee data used in this publication is fictional. Any similarity with the names used in this publication with the names of actual persons is purely coincidental and not intentional.

2 New Supplementary Roles – COVID-19

The following 18 new supplementary roles have been added to enable the recording and reporting of employees tasked with supporting the Covid-19 vaccination programme across the NHS:
